Findings:

This worker arrived at the home on 6/21/23 around 8:20am to find 1 child care child present plus one of the providers non-school age child. Two additional children arrived while this worker was present. Josephine was in compliance with her numbers and age ranges for category B.

A complete tour of the home was done with no safety hazards noted.

The outdoor area was observed with no hazards noted.

A full review of records noted the following:

- Josephine did not have documentation of monthly testing of her smoke detectors.
- Zinajda (approved substitute and assistant) needs an updated certificate for her Mandatory reporter of child abuse and neglect training.

This worker reviewed several of the children's files and Josephine's files were nicely organized and were in full compliance.

Suggestions/Recommendations:

- Josephine needs to make sure she has documentation of monthly testing of her smoke detectors.
- Josephine needs to obtain the updated certificate of Mandatory reporter of child abuse and neglect training for Zinajda (her approved substitute and assistant).

You may contact your local CCR&R for further assistance if needed.

Corrective Action Required:

Josephine agreed to send pictorial documentation of the missing items noted above. Please email pictorial documentation of compliance to me at cweber@dhs.state.ia.us or text me at 319-429-0749. Please send all necessary compliance documentation within 2 weeks of the receipt of this letter.

Thank you for the service you provide to the children in your community.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
