Suggestions/Recommendations:

Per our discussion regarding the First Aid/CPR, contact your local agencies to see if anyone has a class soon. Reach out to registration for an extension with your renewal packet.

Per our discussion regarding children's physicals, please remember that all preschool aged children are in need of an annual updated physical, and an updated immunization form, if there has been an update. Forms from the family medical office will be accepted as verification of an updated physical. Work with your families to have these updated to be in compliance at your next inspection.
