Findings:

An annual compliance check was completed on 1/24/25 and the following was out of compliance:

441 IAC 110.8(1)“a” The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information.

Brittany did have the written list of children, parent contact information, emergency contact and physician but she needed to update it with a few children that were not listed. She did have the appropriate paperwork in the individual files but this documented needed updated as well. Brittany did update this documentation while this worker was present.

441 IAC 110.9(1)“b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with childcare.

Brittany could not locate this documentation.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 2/14/25 and will be reviewed at the next annual compliance check.

I encourage you to work with Black Hawk County Child Care Resource and Referral at 319 233-0804 if you have any ongoing compliance or training needs.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Brittany needs to ensure that she has the number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information. Brittany did update this documentation while this worker was present.

Brittany should try to locate the documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with childcare. She should maintain that in her files for future compliance visits.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or christy.weber@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Christine Weber
