### Suggestions/Recommendations:

A recheck is not needed at this time. The below corrections need to be completed by 1/20/2024 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Brittany Smith 515202-7122) with any compliance or training efforts.

### Corrective Action Required:

1. Your smoke detector was beeping during the compliance check. You need to change the batteries.

2. An Emergency Preparedness Plan needs to be completed. Please contact Brittany to assist you with this task. I included a blank form in this letter.

3. A DHHS Medical Physical Form needs to be completed by your doctor. I included a blank form for you to take you your doctor.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jarind@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
