Findings:

Per our 6/8/2022 spot check visit, the following corrections need to be made as described in the policy sections above:

1. You need to upgrade the fire extinguisher in your basement to size 2A 10BC.
2. You need to re-post the emergency/disaster plan and map next to your front and back door following your recent painting project.
3. You need to obtain a current physician signed statement of health for household member Wayne to have on file. This needs to be completed using the State form you have a copy of and needs to be renewed every three years.

Suggestions/Recommendations:

I encourage you to work with Brianne Gerwulf from Child Care Resource and Referral with any ongoing compliance or training needs.

Brianne can be reached at: (515) 240-9774

Corrective Action Required:

The above corrections need to be in place by 8/12/2022. I will not be conducting a re-check at your home, but will review the corrections during our next visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 291-0008 if you have any questions regarding this letter.

Sincerely,

Earl Crow
