Dear Child Care Provider:

This letter is in regards to the pre-inspection visit at your Registered Child Development Home A conducted on 08/09/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“g” The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Findings:

Per our 8/9/2024 pre-inspection visit, the following corrections need to be made before Anam can be approved as a registered child care provider:

441 IAC 110.8(1)“g” The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Suggestions/Recommendations:

I encourage Anam to work with Christa Jergens from Child Care Resource and Referral with any ongoing compliance or training needs.

Christa can be reached at: (515) 201-7203

Corrective Action Required:

1. Anam needs to upgrade her basement level fire extinguisher to a size 2A 10BC.
2. Anam needs to obtain a physical for the 4 school age household members to have on file. (Immunization sheets were good.)

The above 2 corrections need to be verified to me by 9/10/2024 in order to be approved as a registered child care provider. This can be done by emailing me pictures of the fire extinguisher and physicals, or contacting me to schedule a re-check visit. Failure to verify the items by 9/10/2024 will result in a denial of Anam's application.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at ecrow@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Earl Crow
