Findings:

Per our 12/1/2022 spot check visit, the following corrections need to be made as described in the policy sections above:

1. You need to update your posted parent contact phone cards for several newer children.
2. You need to obtain a current vet statement for you dog to have on file. This needs to be completed using the State form I shared a copy of and needs to be renewed every year.
3. You need to assemble entire files missing for several of the children you have in care. Each file needs to contain the items listed in the description above.

Suggestions/Recommendations:

I encourage you to work with Christa Jergens from Child Care Resource and Referral with any of you ongoing compliance or training needs.
Christa can be reached at: (515)201-7203

Corrective Action Required:

The above corrections need to be in place by 2/9/2023. No re-check is planned at your home. I will review these corrections during our next visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 291-0008 if you have any questions regarding this letter.
