Suggestions/Recommendations:

Melissa needs to obtain a larger size fire extinguisher for her main floor. It needs to be no less than a 2A 10BC rated.

Melissa needs to test her smoke detectors monthly and document it accordingly. I did provide her a form to use.

Melissa's physical has expired and she needs to get an updated one on the approved form. She reported she is scheduled to have an updated exam on 8/25.

Brandon is the co-provider and Melissa could not locate his current First aid and CPR training. They will need to obtain that accordingly.

For the children's files, Melissa was missing most of one file. She needs to work with the parent to obtain the needed information.

Corrective Action Required:

A re-check is not needed at this time, corrections need to be made by 9/15/23 and will be reviewed at the next annual compliance check.

I encourage you to work with Rachel Bonefas from Child Care Resource and Referral with any ongoing compliance or training needs.

Rachel can be reached at (563) 362-8225.
