Suggestions/Recommendations:

Child Care Resource & Referral

Heather: Work Cell: 515-360-7308

At the time of our visit, you were within compliance of safe sleep regulations. When we reviewed the safe sleep regulations you had questions about some of the regulations. You signed the check list stating you would comply with all safe sleep regulations. You need to have the empty pack and play on the main floor of your home. No blankets, stuffed animals or pillows can be in the pack and play with the child. The child needs placed on his or her back and you must actively observe the child by sight and sound. I have requested Heather from CCR&R to provide you additional education and support regarding safe sleep. As a state of Iowa registered daycare provider it is your responsibility to know and comply with all of the state regulations for Child Development Homes.

All corrections must be completed by 5/17/19. No recheck is planned at this time. All corrections will be verified at the time of the next compliance visit.

Corrective Action Required:

1. Please obtain an updated vet statement for your dog. This needs to be updated yearly and completed on the state required form.
2. Fire and tornado drills need practiced monthly. Record of these drills needs kept for inspection purposes.
3. All household members over the age of 18 (including your mother) need updated physicals completed on the state required form. These need updated every 3 years.
4. You stated you provided your CPR and mandatory reporter certificates to the registration unit. A copy of these need kept in a file at your house for inspection purposes.
5. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-339-8262 ellen.abbott@hhs.iowa.gov if you have any questions regarding this letter.
