Summary of Complaint:

On 5/2/25 provider put a clothes pin on a child's ear as a form of punishment. It is further reported that when the parent went to pick their child up, the provider's son, who is not an approved sub was there alone with the children while the provider ran an errand.

Visit by HHS took place on 5/9/25 at Erika's home in Algona. Also present was Erika's paramour Wayne. Both Wayne and Erika spoke of coming up with the idea of using a clothes pin on the ear as deterrent to negative behavior. They felt it was more an inconvenience than painful. They said they used it on Wayne's granddaughter's ear as a test and there were no physical marks left afterward. Erika confirmed that she did use the clothes pin as a punishment for the child after he was given numerous prompts to stop the negative behavior. Erika reports not noticing any injury to the child at the time.

Erika also confirmed that her son was put in charge of the children that day while she ran to the bank. There were approximately seven children present at the time. Erika reports she was gone for approximately 10 to 12 minutes. She says she has used her son before in this capacity and insists she has never been told before that she couldn't.
