Date of Survey: 05

K.A.R. 28-4-117 Health care requirements for children under 16 years of age and recordkeeping. (c) Immunizations for each child, including each child of the provider under 16 years of age shall be current as medically appropriate and shall be maintained current for protection from the diseases specified in K.A.R. 28-1-20(d). A record of each child's immunizations shall be obtained not later than 60 calendar days after the child's initial enrollment in a child care facility and shall be maintained on the child's medical record.

Description : Out of five child records reviewed, one child who has been enrolled for more than 60 days does not have current immunizations on file.
