# Child Care Licensing Program Online Facility Compliance Search

**Facility Name:** Bres Daycare

**License Number:** 00

**Survey Reason:** Annual Survey

**Date of Survey:** 01

K.A.R. 28-4-128 Safety and emergency procedures. (c) Each applicant with a temporary permit and each licensee shall maintain first-aid supplies in a first-aid kit, carrying case, box, or other container. The first-aid supplies shall include the following:

**Description : First aid container does not contain an elastic wrap.**

K.A.R. 28-4-128 Safety and emergency procedures. (a) (1) (B) a designated shelter-in-place area, a designated off-premises relocation site, and evacuation routes for each area and for each site;

**Description : Emergency plan does not include an off-premises site.**

K.A.R. 28-4-128 Safety and emergency procedures. (a) (5) Each licensee shall ensure that each staff member practices, at least annually, the procedures for assisting the children to move to a designated shelter-in-place area and to a designated off-premises relocation site. The date and time of each practice and a list of all participating staff members shall be recorded and kept on file on the premises.

**Description : Provider did not practice annually the off-premises relocation site.**

K.A.R. 28-4-117 Health care requirements for children under 16 years of age and recordkeeping. (e) If an infant who has not been immunized against measles, mumps, rubella, and varicella because of the age of that child is enrolled and there are children in care who have not had measles, mumps, rubella, and varicella immunizations due to an exception, including the children of the provider, the parents of the infant at risk shall sign a statement that the parents have been informed of the risk to their child. This statement shall be in the infant's file at the facility.

**Description : Children in care have exemptions from immunizations and one infant is in care and a signed statement is not on file that the parents have been informed of the risk to the child.**

K.A.R. 28-4-117 Health care requirements for children under 16 years of age and recordkeeping. (c) Immunizations for each child, including each child of the provider under 16 years of age shall be current as medically appropriate and shall be maintained current for protection from the diseases specified in K.A.R. 28-1-20(d). A record of each child's immunizations shall be obtained not later than 60 calendar days after the child's initial enrollment in a child care facility and shall be maintained on the child's medical record.

**Description : One child does not have documentation of current immunizations on file.**
