**License
Number:** 00

Date of Survey: 01

K.A.R. 28-4-128 Safety and emergency procedures. (c) Each applicant with a temporary permit and each licensee shall maintain first-aid supplies in a first-aid kit, carrying case, box, or other container. The first-aid supplies shall include the following:

Description : The first aid kit does not contain a bottle of water, a cleansing agent, and an elastic bandage.

K.A.R. 28-4-126 Health of individuals at least 16 years of age. (b) (2) Each individual shall update the health status form annually or more often if there is a change in the health status or if the individual has been exposed to an active case of tuberculosis.

Description : Out of four staff files reviewed, four staff do not have updated health status forms.

K.A.R. 28-4-126 Health of individuals at least 16 years of age. (c) (1) Each individual at least 16 years of age who is living, working, or regularly volunteering in the facility shall have a record of a negative tuberculosis test or x-ray obtained not more than two years before the date of employment or initial application for a license or not later than 30 days after the date of employment or initial application.

Description : Out of four staff files reviewed, one staff does not have a negative TB test on file.
