K.A.R. 28-4-127 Telephone; emergency medical treatment; reporting requirements. (b) (1) (A) Written permission of the parent or legal guardian for emergency medical treatment on a form that meets the requirements of the hospital or clinic where emergency medical care will be given; and

Description : Two child files out of ten files reviewed do not have written permission for emergency medical treatment.

K.A.R. 28-4-117 Health care requirements for children under 16 years of age and recordkeeping. (c) Immunizations for each child, including each child of the provider under 16 years of age shall be current as medically appropriate and shall be maintained current for protection from the diseases specified in K.A.R. 28-1-20(d). A record of each child's immunizations shall be obtained not later than 60 calendar days after the child's initial enrollment in a child care facility and shall be maintained on the child's medical record.

Description : One child file out of ten files reviewed does not have current immunizations on file.

K.A.R. 28-4-117 Health care requirements for children under 16 years of age and recordkeeping. (e) If an infant who has not been immunized against measles, mumps, rubella, and varicella because of the age of that child is enrolled and there are children in care who have not had measles, mumps, rubella, and varicella immunizations due to an exception, including the children of the provider, the parents of the infant at risk shall sign a statement that the parents have been informed of the risk to their child. This statement shall be in the infant's file at the facility.

Description : A signed statement is not on file for enrolled infants notifying parents that there are children in care that are not fully immunized.

K.A.R. 28-4-117 Health care requirements for children under 16 years of age and recordkeeping. (a) A completed medical record on the form provided by the department shall be on file for each child under 10 years of age enrolled for care and for each child under 16 years of age living in the child care facility and shall include the following:

Description : One child file out of ten files reviewed does not have a current medical record available for review.

K.A.R. 28-4-115 Facility. (i) (5) (A) Impact-absorbent surfacing material shall be installed in each use zone under and around anchored equipment over four feet in height, including climbing equipment, slides, and swings.

Description : Impact-absorbent material is not installed in the use zone under a swing in the outdoor play area.

K.A.R. 28-4-115 Facility. (i) (4) Climbing equipment and swings shall be either anchored in the ground with metal straps or pins or set in cement, to prevent movement of the equipment and swings.

Description : Swing located in the outdoor play area is not anchored.

K.A.R. 28-4-114a Initial and ongoing professional development training. (e) Documentation of all orientation, training, and certifications for each individual shall be kept in that individual's file in the facility.

Description : Documentation is not available for previous licensure year.
