Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interim inspection(s) on 5/15/2024, licensing consultant Laura Piacentini did not find any rule or law violations.

On 05/15/2024, I observed one classroom. Upon arrival children dropped off their belongs and then went with a child care staff member to the bathrooms to wash their hands. When they returned to the classroom, children were asked to grab a snack. After eating, children were able to work on homework or work on activities with peers at the table. One child care staff member was reading a book to a small group of children, another child care staff member was assisting a child with their homework. All child care staff members present were engaged with the children and interacted appropriately with all children present.

If you have any questions regarding the report, please contact licensing consultant, Laura Piacentini, at (313) 269-5879. In the event that Laura Piacentini is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
