- **Diaper Changing Surfaces Were Not Cleaned with a Detergent Solution and Disinfected After Each Use.**
Diaper changing tables in the two's class and Tots classroom were very dirty and had not been sanitized after each use. There were toys on the diaper changing table in the toddlers class.
- **All Stationary Equipment, More Than 18 Inches High, Was Not Installed Over Protective Surfacing.**
On the pre k playground area there was a large climber that did not have at least six inches of mulch around it. There is a second large piece of equipment that needs slides at the bottom.
- **A Drug or Medication Was Administered Without Written Authorization And/or Instructions From a Child's Parent or Authorized Health Professional.**
There was a can of OFF Bug Spray with no parent signature on the permission to administer this. Violation confirmed corrected by letter received.
- **A Drug or Medicine Was Administered After Its Expiration Date.**
Two medication forms were expired in the two's classroom. Destin diaper cream expired 12/30/25 and Boudreau's Butt Paste expired on 9/12/25. Violation confirmed corrected by letter received from provider on 1/27/2026.
- **Leftover Medicines Were Not Returned to the Parent After the Course of Treatment Was Completed, After Authorization Was Withdrawn or After Authorization Had...**
expired and/or medication was not discarded within 72 hours of completion of treatment or withdrawal of authorization. In the two
