0001	<p>The findings and conclusions of any investigation by the Health Division shall not be construed as prohibiting any criminal or civil investigations, actions or other claims for relief that may be available to any party under applicable federal, state, or local laws.</p> <p>This Statement of Deficiencies was generated as a result of a State Licensure survey conducted in your facility. This State Licensure survey was conducted by the authority of NRS 432A.180, Inspection by Health Division, State Fire Marshal and State Health Officer.</p> <p>NAC432A.195: The Division may impose an administrative fine in the amount of \$100 for the failure to correct any violation of a provision of this chapter or <a href="#">chapter 432A</a> of NRS within the time frame set forth in the notice of violation, whereas the notice of violation may be issued in the form of a statement of deficiencies or a report of an inspection of the facility. A fine may be imposed for each day a facility is in noncompliance with the notice of violation.</p> <p>Failure to submit Plan of Correction by due date may result in a \$100 a day fine until the Plan has been submitted and/or further progressive action.</p> <p>The following deficiencies were identified:</p> <p>Inspector Comments: This Statement of Deficiencies was generated as a result of the on-site file review conducted at your facility on 3/24/2026. Please respond to each deficiency and attach documents as requested for the deficiency it pertains to. Sign and submit your Plan of Correction within 10 business days of receipt. Inspection consensus, the facility is licensed for 243 children as a center. The census at the time of survey was children. 25 children's files and 50 staff files were reviewed.</p>	0001		

If deficiencies are cited, an approved plan of correction must be returned within 10 days after receipt of this statement of deficiencies.
