

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of one (1) child care staff member(s) for thirteen (13) children was determined to have occurred for the Pre-K group when the situation in number 15 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.

7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other: two three year old children were moved into the group and the program did not follow the ratio for the youngest child in the group.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided to all staff and a written plan to assure compliance with staff:child ratios when children need to move groups, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Code: The program is required to store trash outside of the areas approved for child care.

Finding: During the inspection, it was determined that accumulated trash or garbage was stored in an area approved for child care. The full trashcan in Infant 2 classroom had not been emptied and was not being used the day of the visit. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Code: The program is required to provide equipment and materials that are easy to clean.

Finding: During the inspection, it was determined that at least one piece of equipment, furnishings, or material at the program was not constructed of materials to facilitate cleaning as noted in number 1 below:

1. The material had a tear. Blue couch in Toddler 2
2. The material was not washable.
3. The material was porous.
4. The surface was cracked.
5. The surface was repaired, but in a manner that still did not facilitate cleaning.
6. Other [].

Equipment, furnishings, and furniture shall be constructed of materials to facilitate cleaning. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-23 Diapering and Toilet Training

Code: The program is required to launder diapers according to manufacturer's guidelines.

Finding: During the inspection, it was determined that the program was not storing or laundering soiled diapers or clothing according to the rule, in that the program did not meet the condition indicated in number 6 below.

1. Store for no longer than one day
2. Store in an individual covered container or plastic bag away from children's belongings
3. Kept out of reach of children
4. Store soiled diapers and diapering washcloths laundered by the center in a covered container with sanitizing solution
5. Hold soiled diapers to be commercially laundered for no more than seven days
6. Store soiled disposable diapers in a plastic-lined covered container not easily accessible to children - Toddler 2 had used pull-ups in the open bathroom trashcan.
7. Discard disposable diapers daily or more frequently as needed to eliminate odor
8. Launder diapers according to manufacturer's guidelines
9. Other []

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. Provide staff training and submit a written statement that this has been completed. A written response for this rule noncompliance is required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-20 Cribs

Code: The program is required to space cribs two feet apart when in use.

Finding: During the inspection, it was determined that cribs were not two feet apart when in use, as required by this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. Provide training for staff and include a detailed written plan to maintain compliance and a statement that staff have been provided training. A written response to this noncompliance is required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing [breast milk/formula] for a particular infant were not labeled with the child's name and date of preparation. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 4 & 5 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
