Inspection Visits

Jan 20, 2026 5 Findings ● 5 Important

● **Achieved**

A center shall secure from the employee a recent health assessment performed not more than 90 days prior to the date hired for the employee and signed by a licensed health care provider. The health assessment shall be on file no later than 30 days from the first date of employment. A health assess

● **Achieved**

A verification of the staff member's education and qualifications.

● **Achieved**

Cardiopulmonary Resuscitation (CPR) and First Aid. Within three months of employment or use staff members shall have current CPR certification appropriate to the age of the children in care and current first aid training. Except in the first year of employment or use, training in CPR and First Aid

● **Achieved**

Periodically throughout the day, the staff member responsible for each group of children shall check the daily roster to ensure that all children are present or accounted for.

● **Achieved**

Seasonally appropriate covers or clothing shall be used, sufficient to maintain adequate warmth. For children 12 months of age and younger a sleeper may be worn or a thin blanket used for a covering. If a blanket is used, it shall be tucked around the mattress of the crib and only cover the child
