Inspection Visits

Nov 12, 2025 5 Findings ● 5 Important

● **Achieved**

A family child care home shall develop and post a written plan for an emergency evacuation in the event of fire, natural disaster or other threatening situation that may pose a health or safety hazard to the children in the family child care home. The plan shall include, but not be limited to:

● **Achieved**

A family child care home shall maintain all completed parental forms required by the Department, including emergency information and medical forms, on file.

● **Achieved**

Children's medical examination records shall be updated every two years until the child is six years of age

● **Achieved**

The fire evacuation plan shall include a drawing of the primary and secondary exits from all areas of the house and meeting places for the children once they have exited the home.

● **Achieved**

The Secretary shall not grant a certificate of registration to a family child care home if the caregiver or a household member is an active recipient of child or adult protective services or has a history of substantiated child or adult abuse or neglect as determined by a court of law or an investig
