● **Pending**

A center shall prepare a written, daily roster that includes the first and last names of each child in each group of children, the name of the staff member responsible for the group, and the space designated for use by the group both at the center and at off-site locations used during field trips.

● **Pending**

A center shall require all staff to meet approved pre-service training requirements and pre-service education qualifications other than that noted in subdivision 8.6.c. Provided: Staff persons who have remained employed by the center since July 1, 2003 and have been in continuous employment in that

● **Pending**

Cardiopulmonary Resuscitation (CPR) and First Aid. Within three months of employment or use staff members shall have current CPR certification appropriate to the age of the children in care and current first aid training. Except in the first year of employment or use, training in CPR and First Aid

● **Pending**

For staff currently employed, a center shall keep on file a health assessment that is updated every two years except the tuberculosis risk assessment or tuberculosis screening discussed above.

● **Pending**

Use zones are extended by at least six feet in all directions from the perimeter of indoor climbing equipment, and the use zone surfacing is constructed of material that has an American Society for Testing and Materials (ASTM) rating for the critical fall height of the equipment. The use zone surfa
