Inspection Visits

Feb 26, 2025 5 Findings ● 5 Important

● Achieved

A designated relocation site and evacuation

● Achieved

A family child care home shall develop and post a written plan for an emergency evacuation in the event of fire, natural disaster or other threatening situation that may pose a health or safety hazard to the children in the family child care home. The plan shall include, but not be limited to:

● Achieved

A first aid guide.

● Achieved

Approved training in basic first aid that includes rescue breathing and choke saving

● Achieved

The Secretary shall not grant a certificate of registration to a family child care home if the caregiver or a household member is an active recipient of child or adult protective services or has a history of substantiated child or adult abuse or neglect as determined by a court of law or an investig
